FUN FACTS ABOUT VALENTINE'S DAY

Love You Furever! 43% of people plan to buy Valentine's gifts for their pets compared to 42% who plan to buy them for their significant others.

The oldest recorded Valentine was a poem written by a French duke named Charles to his wife in 1415 while he was imprisoned in the Tower of London.

Lozengue Lovers! Sweethearts candies started out as lozenges! Messages were first printed on the candy in 1866, and the candies got their heart shape in 1901, appealing specifically to Valentine's Day sweethearts.
