Letter from the Editor

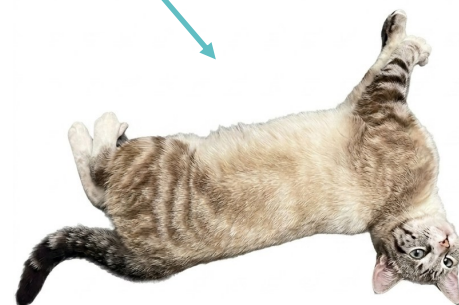

Thank you to everyone who shared their cat photos! This is my cat Miss
← Tickle Toes, Mystical for short. I rescued her from the Humane Society

Pictured right: KSC member Ann Christensen and Honey who is a KittyMOM's Rescue!

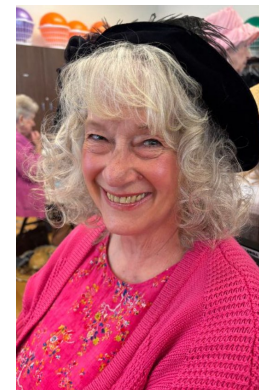

This is KSC Member and van driver Rhonda Young's cat Luna who was adopted from the animal shelter!

8 years ago. She is a bed hog and likes to play hacky sack with herself. Bottle caps and boxes are among her favorite toys. The first time she ever watched *The Wizard of Oz* with me she cackled at the flying monkeys. I'm not sure if it was because she thought they were birds or if she was completely terrified. I personally think they're pretty scary!

TEA PARTY FUNDRAISER

Pictured Left: Winner of our best hat contest our 99 year old member Blanche Garrett received a free ticket to see *The Glacier Symphony!*

Pictured above: Many thanks to Board President Gerri Backes and KSC member RuthAnn Marchi for collaborating on organizing our event and making it such a success!

Special thanks to Mindy Breckinridge for making tea sandwiches, Peyton Herzog for making chocolate dipped strawberries and to Dee Boon for the plants in tea cups for door prizes. Thanks to your generosity we raised \$930, surpassing last year's achievement!
